

7-Day Face Fat & Clear Skin Plan

This 7-day routine helps you reduce face fat, remove blackheads, and improve skin clarity. It combines diet, exercise, hydration, and skincare — all naturally and safely. Follow consistently for 3–4 weeks for best results.

■ Morning Routine

- 1 Drink 1 glass of warm water with lemon (boosts metabolism).
- 2 5-minute face yoga: cheek puff, jaw release, fish face.
- 3 Cleanse face with salicylic acid or tea tree face wash.
- 4 Apply moisturizer and sunscreen (SPF 30+).
- 5 Have high-protein breakfast: oats + nuts or eggs + fruits.

■ Night Routine

- 1 Cleanse your face before bed.
- 2 2–3×/week: Exfoliate with mild BHA or natural honey-lemon mask.
- 3 Apply niacinamide or aloe vera gel.
- 4 Sleep 7–8 hrs (reduces puffiness and cortisol).

■■ 7-Day Plan

- 1 **Day 1:** Brisk walk 30 min + light weights. Eat balanced meals (2 roti, sabzi, dal, salad). Apply Multani mitti mask at night.
- 2 **Day 2:** Skipping/HIIT 20 min + hydration (3L water). Avoid sugar. Steam face for 5 mins.
- 3 **Day 3:** Yoga 30 min + high-protein diet. Use aloe vera gel overnight.
- 4 **Day 4:** Cycling or jogging. Apply niacinamide serum at night.
- 5 **Day 5:** Rest day: gentle stretching. Exfoliate face (BHA or natural scrub).
- 6 **Day 6:** Cardio 30 min. Include citrus fruits (amla, orange). Multani mitti mask again.
- 7 **Day 7:** Outdoor walk + deep breathing. Hydrate, sleep early, and relax.

■ Diet Summary

- 1 Calorie goal: ~2000 kcal/day.
- 2 Protein-rich: eggs, paneer, lentils, tofu.
- 3 Avoid sugar, fried foods, and excess salt.
- 4 Eat fruits & vegetables (fiber + vitamins).
- 5 Drink 2.5–3 L water daily.

■ Skincare & Lifestyle Notes

- 1 Do not squeeze blackheads manually.
- 2 Avoid harsh scrubs and oily creams.
- 3 Use sunscreen daily — even indoors.
- 4 Sleep well, stay stress-free, and smile often!
